

CHOIR PERFORMANCE UNIFORMS

The Choir Department provides cummerbunds and bow ties for the students in each of the choirs. Each choir has a designated color and style.

The rest of the uniform is the responsibility of the choir member to purchase and maintain. It will remain consistent for the entire time the student is at HMS in choir.

Males

Black dress slacks, any style. (These may **not** be made of denim material and they must fit reasonably snug.)

White flat pleated wing collar tuxedo shirt

Black dress shoes and black socks. (These may **not** be tennis shoes)

Females

Black long skirt that **hangs to the ankles**** (If there is a slit in the skirt, it must not go above the knee.)

White flat pleated wing collar tuxedo shirt

Black dress shoes, preferably close-toed, (reasonable heel!)

Hose that matches the color of the student's skin

****The girls in Heritage Moving Sounds;**

These girls will need to buy specific tuxedo slacks through the choir department. This is because of the choreography that they will be doing. Tuxedo Junction will come out to HMS during class and measure the girls. When the slacks are delivered is when payment will be required.

Tuxedo Shirts;

These can be found at craft stores such as Garden Ridge, and Hobby Lobby for a very reasonable price. Students who present a particular size challenge would be best to go to Tuxedo Junction formal wear or Al's Formal wear. Department stores also often carry Tuxedo shirts. **Don't wait until the day before the first concert to go out and get this...you will find that a frustrating situation.**

To assist parents:

Tuxedo Junction Formal Wear will be at HMS to measure students and take orders for tuxedo shirts. Please decide before this date if you want to order from Tuxedo Junction or not.

Measure and order date: September 11th
