

First Grade Tiger Cub Tales

October 22, 2007

Language Arts/Social Studies:

Fire safety tops our list this week! We hope to take a walk down the street to our local station and learn all about the workings of a firehouse. We will be discussing fire prevention and the job of a fireperson in our community.

Spelling:

Our rule this week: When a vowel comes between two consonants in a one syllable word it makes the o sound as in top.
