

First Grade Tiger Cub Tales

January 7, 2008

Language Arts/Social

Studies:

We will be focusing on nouns, verbs, and adjectives for the next couple of weeks. Our winter stories include snowmen, snow, and winter.

Spelling:

CVCE words. When you have a vowel in the middle of a word and that word ends in "super silent teacher e" the vowel in the middle says its long sound and the e is silent. Ie. pin...pine

Math:

Addition and subtraction story problems to 18 will be our topic as well as the end of the 9 week assessment. Please help your child at home by doing some problems using higher numbers. Students can use counters or draw pictures to help solve their problems.

Science: We will be observing the many ways that matter can change!

Dates to Remember:

Jan. 15-25 Testing

Jan. 21-22 No school

Jan. 23 Report cards

Jan. 25 Citizen of the month

@ 1:30

Please note that we are doing assessments in reading next week. These tests are done one on one with the teacher and take time. We hope to be completed by the end of the 25th of January with all of our testing. A reminder: We will be going outside unless it is raining or 36 degrees or less. Please dress your child appropriately for the weather!
