

First Grade Tiger Cub Tales

February 4, 2008

Language Arts/Social

Studies:

We are learning about inventors that have made a difference in our lives today such as Thomas Edison, Alexander Graham Bell, and Benjamin Franklin. We are also discussing good citizens from history such as Eleanor Roosevelt, Clara Barton, and Nathan Hale.

Spelling:

CVCE long o.

Math:

This week we are beginning place value. Please reinforce this concept at home with counting items such as beans into groups of ten and then writing a number to show the number of tens and ones you have.

Science:

Pets galore! We will be indentifying wild, tame, and domestic animals.

Dates to Remember:

February 6 Picture day and
100th day of school! (no uniform!)
February 14th Valentine's Day
party from 11-12:00
February 18 No school
February 29 Citizen of the month

Remember to send in a \$1-\$2 donation for our valentine party. Please see that your child signs a valentine for each student in his/her class. Valentines can be store bought or hand made.
