

# First Grade Tiger Cub Tales

February 26, 2008

## Language Arts/Social

### Studies:

We will learn about Sam Houston and the Alamo.

We will also discover the importance of the colors on the Texas flag, as well as learn about the other important symbols of Texas such as the bluebonnet, and the mockingbird.

### Spelling:

When one syllable words with a short vowel end in f, l, or s, double the last letter.

### Math:

The children will explore the concept of probability with hands on experiences this week.

### Science:

We will take an adventurous walk Around our campus to locate signs of wildlife and record those findings in our journals.

## Noteworthy News:

- Mini Mall in First Grade!

Start saving items that you can donate to our mini mall after spring break. This is a great time to give away Mc Donald toys that are clean and in good shape. Go through toy drawers and boxes and bring gently used items to school for others to buy!
