

# First Grade Tiger Cub Tales

April 29, 2008

## Language Arts/Social Studies:

This is our last week of author tubs. We have thoroughly enjoyed listening and reading all of the different authors' stories.

## Spelling:

This week we are learning about ar and or in words.

## Science:

We now have the ladybugs that we are all familiar with. We have learned about the lifecycle, parts of a ladybug, and many other interesting facts about these cute little insects.

## Math:

We are using non-standard units of measurement this week to measure items and distance.

## Dates to Remember:
