

First Grade Tiger Cub Tales

December 10, 2007

Language Arts/Social Studies:

We will be completing our study of holiday customs and move on to specific holiday characters and holiday books from the United States.

Spelling:

We will study holiday sight words for fun this week. These words all follow different rules...

Math:

We will review 2-D shapes and learn about 3-D shapes. Our vocabulary will be sides, corners and vertices. We will culminate our study of 3-D shapes by making our gingerbread houses on Friday.

Science:

We will be discussing the changes that occur when heat or cold are applied to things. Our vocabulary will include **heat, change, solid, liquid, gas, and pitch.**

Dates to Remember:

Dec. 12 Progress Reports

Dec. 14 Gingerbread Houses

Dec. 19 Holiday party 11:00

Dec. 20 Last day/holiday break/
Citizen of the month and sing a long
9:45. 11:30 dismissal

Jan. 3 Classes resume

Please dress the children according
to the weather!

We will be having our holiday party on December 19th at 11:00. At the party the students will be having a book exchange. Please send in a book ASAP that is wrapped in holiday paper. The book should be around \$3. Please send in \$4 for lunch donation. The students will eat pizza at our party.
