In the Spotlight

Mrs. Olivo: The spotlight is shining on Brooke Brown this week. Brooke is new to Timberline this year, but she has quickly picked up on our procedures. Brooke has made many new friends and is a great helper. Her toothless grin brightens each day. You're dynamite Brooke!

Mrs. Fink: Taylor Schornick is my spotlight this week. She was away from Timberline for one year and we are so glad she is back. Taylor is off to a great start. I have appreciated her hard work and helpfulness. Welcome back!

Ms. Gilliam: Jacob Milam is in the spotlight for Ms. Gilliam's room. He has been working very hard on all his work since school started. I'm very happy to have Jacob in my class this year. Way to go, Jacob. Keep up the good work.

Mrs. Bouldin: Leah Kelly is a shining star in Mrs. Bouldin's class. She moved here from Florida and is making new friends every day. We are very happy that Leah is in our class and she sets a great example for everyone.
