

THIRD GRADE NEWS

Week of Sept.17-21

Reading: This week we will be focusing on context clues. Students will determine meanings of unknown words in text using clues around them.

Writing: . We will continue with the writing process and talking about what a good paragraph looks like. Journal writings will continue.

Spelling: A list of ten words will go home Monday. Please practice these words with your child for the test on Friday.

Math: Students will explore the world of place value through the use of base ten blocks.

Science: Measurement will be the focus this week. We will be estimating and then carrying out the measurement process through the use of measurement tools.

Social Studies: It is time to celebrate our freedom in third grade. Students will recognize symbols of freedom and what freedom means to them.

Dates to Remember:

September 27—Dad's Club Meeting
