

THIRD GRADE NEWS

Week of Oct. 8-12

Reading: This week we will continue to make inferences and identify cause and effect in a story. Enjoy a good book with your child this week!

Grammar/Writing: We will write this week using a three box plan. Our focus will be identifying the subject and predicate of a sentence in grammar.

Spelling: Be looking for the list of ten words on Tuesday. Our pattern this week is long O. We will continue to review high frequency words. Remind them to study their words for the test on Friday.

Math: Geometric patterns, number patterns, counting coins, and show equivalent sets of coins will be our focus for the week. Have your child count spare change around the car and house!

Science: We will be finishing up our unit on volume and begin exploring temperature.

Social Studies: Our theme this week is courage. We will be incorporating stories about people and characters displaying courage in our language arts. Map skills will continue.

Dates to Remember:

October 8—No School
October 25 - Literacy Night
October 31- Report Cards
