The Yearbooks are Coming! The Yearbooks are Coming! Well, yearbook orders are coming. Orders will be taken from November 12 - November 30.

Several parents asked that we "republish" the websites we made available several weeks ago. They are:

www.factmonster.com
www.learningscience.org
www.mathplayground.com
www.worldbookonline.com
*Login ID - Timberline
*Password - tigers

The 2 math sites will be VERY beneficial in helping kids "cement" their multiplication and division facts.

Thank you for all of your help throughout the Boosterthon fundraiser. The kids had fun, we raised money for our school, we learned about ways to build strong character and got in some exercise as well!!

Math News

Students will continue building the concept of division and studying different division algorithms.
