Introducing Our Teachers

Mrs. Wenneker has taught kindergarten for 4 years. She has been married for 23 years. She has 3 sons. Her oldest is at TCU and her middle son is at OSU. Her youngest son is at CHHS. Mrs. Wenneker loves Diet Lemonade from Chick-fila. Her birthday was Oct. 10th!

Pumpkin Patch

- ☺ Thursday, Oct. 18th
- ☺ Bring a labeled sack lunch and drink.
- ☺ Students must ride the bus going and coming back from the pumpkin patch.
- ☺ Cost is \$4.00 CASH (due today)!
- ☺ Have you returned your permission and emergency info sheets?
- ☺ The children will receive a mini pumpkin for us to use at school. There will also be a mini train ride, a hay maze, and bounce houses. So much fun!!

☆ Students will NOT be allowed to wear Halloween costumes to school on Oct. 31st. However, because it is Red Ribbon Week, they will get to dress in what they want to be when they grow up!

☆ Parent Chaperones for the Pumpkin Patch Field Trip...

If you are planning on joining us at the pumpkin patch, please inform your teacher ASAP. Parents are welcome to attend if they have been approved by the district. To receive approval, you must return a completed background check a week in advance. The cost is \$4.00. Buses will load and leave school around 8:45 and return around 12:30. Please check in with your teacher and plan to follow the buses. Carpooling is ideal. Little ones should stay at home so that you can help your teacher effectively. Don't forget your lunch and drink for the picnic lunch!
