Every child needs to bring a labeled, sack lunch and a disposable drink on Friday for the zoo. Make sure that your child is wearing comfortable walking shoes. Watch the weather to see if a jacket is needed! (This week we had many students NOT dressed for the weather!) Texas weather is unpredictable!

Zoo Chaperones...

The buses will be at school to transport students at 8:45. We will leave shortly after that. Students must ride the bus to and from the zoo. Parents are unable to ride the bus due to lack of space. We need you to meet in the classroom ahead of time and pick up the lunches for the students that you will be responsible for. PLEASE BRING A BACKPACK TO CARRY THE LUNCHES IN. You can arrange to carpool with the other parents in the class. It does cost to park. We will meet you at the front gate of the zoo to give you your discounted tickets and students. We are asking you to not purchase any souvenirs, so that it will be fair for all children. Background checks must be approved for all chaperones to attend. Thanks for asking to come along!! Get ready to have a blast and cross your fingers for great weather!
