Thank you for working with our students and staff. You are providing a very valuable service to our school district.

It is important to understand the following guidelines when working with students and school information:

Confidentiality: A feeling of mutual understanding and trust between school staff and volunteers is essential. Volunteers sometimes have access to information about students and their abilities, successes and struggles as well as some information from teachers. As a volunteer, your responsibility is to maintain confidentiality at all times.

Commitment: Please make a professional commitment. Be consistent and dependable. Please notify the school office if you are unable to come at your committed time.

Sign in and out: Remember to sign in at the front office during each volunteer visit. You must wear your identification badge at all times.

If you have questions involving your volunteer work, please ask the teacher, the principal or PTA, booster club or other volunteer organization's volunteer coordinator.

Thank you for reviewing the GCISD Volunteer Handbook.

To complete the process and become an approved volunteer:
