

Action Plan

Strategy Number: 3
 Plan Number: 5
 Date: January 11, 2011

STRATEGY: We will transform from a teaching platform to a learning platform by designing engaging, differentiated work for students toward the accomplishment of the GCISD mission and strategic objectives.

SPECIFIC RESULT: Teachers and students will be provided the tools necessary as identified by best practices to achieve the strategy.

#	ACTION STEP (Number each one)	Assigned to:	Starting Date:	Due Date:	Completed Date:
1	Gather information from employees, students, and parents to ascertain the necessary tools to move toward a learning platform.				
2	Based on information gathered, provide necessary tools, including technology, for successful implementation.				
3	Provide district-wide, mandated training on designing differentiated and engaging work for students.				
4	Develop systematic and systemic procedures for implementation of district training, including timely access to materials and follow-up support.				
5	Develop a systematic plan to train new hires in subsequent semesters.				
6	Assess the implementation of the training with administrator walkthroughs, lesson plan documentation, and documentation of PLC time.				
7	All teachers will maintain updated and informational websites.				
8	Tools will be made available to parents to help support the learning platform and be aware of their students' individual plans.				
9	Campus leadership at all levels will be encouraged to maximize the expertise and training of their teachers when considering teaching responsibilities.
