

Action Plan

Strategy Number: 6
 Plan Number: 2
 Date: January 6, 2011

Strategy: We will integrate technology, including student mobile wireless computing devices, into every aspect of the student academic experience to support the GCISD mission and strategic objectives.

Specific Result: GCISD will invest in staff by providing on demand professional development to enable teachers to facilitate student use of the newest technology.

#	ACTION STEP (Number each one)	Assigned to:	Starting Date:	Due Date:	Completed Date:
1	The district will adopt the National Education Technology Standards (DOE) for teachers.				
2	The district will adopt the National Education Technology Standards (DOE) for administrators.				
3	Develop needs assessment for teachers/staff.				
4	Curriculum and Instruction and Technology will collaborate to create online staff development to provide instruction in the use of the newest technology in the classroom.				
5	Create a technical advisory board at each GCISD campus composed of instructional technologists, administrators, teachers, and students.				
6	The Technical Advisory Board will administer needs assessment for the staff, monitor teacher progress towards technology proficiency, and implement opportunities for staff.				
7	Staff will utilize the Technical Advisory Board to customize individual staff development to design student work that integrates technology.				
8	Provide release time for teachers to observe other teachers who are integrating technology into student learning.				
9	Teachers will post lessons in an online forum to foster a collaborative environment.
