

Action Plan

Strategy Number: 6
 Plan Number: 3
 Date: January 6, 2011

Strategy: We will integrate technology, including student mobile wireless computing devices, into every aspect of the student academic experience to support the GCISD mission and strategic objectives.

Specific Result: GCISD will provide a network service for student created digital portfolios that will follow the student throughout their schooling in GCISD and beyond. X-ref 2

#	ACTION STEP (Number each one)	Assigned to:	Starting Date:	Due Date:	Completed Date:
1	GCISD will establish guidelines for creating student digital portfolio.				
2	GCISD will establish guideline for maintaining student digital portfolio.				
3	GCISD will provide a network service such as Project Share to store student digital portfolios that can be accessed throughout their schooling in GCISD and beyond.				
4	GCISD will provide staff development on the guidelines for creation and maintenance of student digital portfolio.				
5	Teachers will provide GCISD approved training for all students on the guidelines for creation and maintenance of digital portfolio.				
6	All students will create a digital portfolio to be stored on the network service.				
7	All students will create an age appropriate personal mission statement to place in the digital portfolio.				
8	All students will analyze and evaluate work stored in their digital portfolio.				
9	All students will reflect on the work stored in the digital portfolio in order to set goals for future learning.				
10	Annually, each student will reflect on the contents of their digital portfolio and refine their personal mission statement.
