

# Action Plan

Strategy Number: 6  
 Plan Number: 6  
 Date: January 6, 2011

Strategy: We will integrate technology, including student mobile wireless computing devices, into every aspect of the student academic experience to support the GCISD mission and strategic objectives.

Specific Result: GCISD will provide technology support via Student Technology Assistants to facilitate maintenance and upkeep on district technology as a supplement to Technology Services.

#	<b>ACTION STEP</b> (Number each one)	Assigned to:	Starting Date:	Due Date:	Completed Date:
1	All students should understand technology systems, select and use technology applications effectively, and be able to troubleshoot systems and applications at appropriate developmental levels.				
2	Each campus will have an identification and selection process which includes criteria such as proficiency, reliability, and motivation for Student Technology Assistants.				
3	Campus instructional technologist and PC Support will provide training for students in technology maintenance.				
4	Maintenance tasks will be established for student technology assistants such as cleaning hardware, updating software, issuing equipment, and other tasks deemed appropriate by Technology Services				
5	Students will provide technology maintenance deemed appropriate by Technology Services at the campus level.				
6	A work order system will be utilized by Student Technology Assistants.
