

Action Plan

Strategy Number: 7
 Plan Number: 7
 Date: January 4, 2011

STRATEGY: We will ensure all facilities are progressively equipped and designed to support the GCISD mission and strategic objectives.

SPECIFIC RESULT: GCISD will adopt industry recognized best practices for cleaning that result in hygienic, clean, and safe environments, make use of environmentally friendly cleaning methods and products, and reduce the consumption of natural resources.

#	ACTION STEP (Number each one)	Assigned to:	Starting Date:	Due Date:	Completed Date:
1	Review the principles of programs similar to Green Seal for LEED certification programs.				
2	Review information on environmentally preferable purchasing of cleaning products and tools (i.e. US EPA)				
3	Provide training about the program and its implementation for staff.				
4	Create a plan for implementation that will occur over three years.				
5	Determine the cost to implement these changes in the facility departments.				
6	Implement the principles into the facility departments per the Plan.				
7	Appropriate funds for conversion of and maintenance for created and renovated areas.				
8	Establish possible Bond proposal to fund equipment.				
9	Investigate use of public/private venture partnerships and capital venture programs (i.e. manpower, capital, and equipment) to support GCISD curriculum and facilities.				

Responsible:

(Shaded areas for administrative use in implementation phase)
